"A BRIDGE FOR SCHOOL"

"UN PONTE PER LA SCUOLA"

We would like to inform you that on 13th January 2014 from 6.00 pm to 7.00 pm a presentation will be held at the Scuole dell'Infanzia dell'Istituto Comprensivo "Leonardo da Vinci" di Ronchi dei Legionari. Here, the teachers will provide useful information for foreign children and their parents at the "sportello di ascolto": A bridge for school".

The dates in which it will be possible to visit the individual school are as follows:

14th January h 6.00 pm - Via Fratelli Cervi

15th January h 6.00 pm- Via del Capitello - Vermeigliano

16th January h5.30 pm- Via dei Campi.

"A bridge for school" comes from an idea to enhance and involve the foreign community in our school. This will consist of an "information desk" (sportello d'ascolto), where, through the mediation of qualified personnel, you can:

- receive any information you need to enrol your child;
- give any information about your child that teachers should know (i.e. about food, health, habits, etc);
- find any answers and remove any doubts.

This will help and allow you and your child to experience a positive and smooth transitional period upon starting school.
